Each 5 ml syrup contains Vitamin A (as Vitamin-A Propionate BP) 2000 IU, Vitamin D<sub>3</sub> (as Cholecalciferol BP) 200 IU, Vitamin B<sub>1</sub> (as Thiamine Hydrochloride BP) 0.7 mg, Vitamin B<sub>2</sub> (as Riboflavin Sodium Phosphate BP) 0.85 mg, Vitamin B<sub>6</sub> (as Pyridoxine Hydrochloride BP) 0.35 mg, Nicotinamide BP 9 mg, Vitamin C (as Ascorbic Acid BP) 17.5 mg, Vitamin E (as Alpha Tocopherol Acetate BP) 1.5 mg and Cod Liver Oil BP 100 mg.

## Description:

Kvit Seas contains 8 essential vitamins with Cod Liver Oil. Kvit Seas provides extra protection for the children. Kvit Seas ensures for getting enough vitamins to children that help them to grow up strong & healthy. Cod Liver Oil contains Vitamin A, Vitamin D<sub>3</sub>, EPA & DHA. Vitamin A is essential for the immune system, bone growth, night vision, cellular growth, testicular and ovarian function. Vitamin D<sub>3</sub> is essential for the absorption and utilization of calcium, which is also required for skeletal growth. EPA and DHA—the two Omega-3 fatty acids, which are converted in the body to produce prostaglandins that affect a wide variety of physiological processes due to their modulating effect on the action of hormones. Omega-fatty acids relieve the symptoms of osteoarthritis & rheumatoid arthritis, enhance immune function and promote healthy blood circulation. It is thought that EPA and DHA may reduce the risk of coronary heart diseases. DHA seems essential for normal brain development in unborn babies.

## Indications:

Kvit Seas is indicated in vitamin deficiency, loss of appetite or just when feel tired, listless or run down in growing children and restores lost vitality after illness. It also helps to maintain healthy skin, hair, nails, teeth and bones.
